

Electric Vehicle (EV) Charger Incentive

A \$500 incentive is available for residential Salem Electric members who purchase and install a ChargePoint Home Flex (level 2) EV charger. Incentives are subject to available funding, and the incentive cannot exceed the purchase price.

Eligibility Requirements

- Only ChargePoint Home Flex (level 2) EV chargers qualify.
- Must be installed at the member's residential address.
- Installation must take place within 60 days of the purchase date.
- The charger must have access to Wi-Fi and the member must acknowledge that Salem Electric will have access to their ChargePoint charging data to be used to help identify future EV initiatives.
- Installation must comply with applicable city, county, and state code requirements.
- The member must provide a copy of their receipt/invoice.
- Only one incentive per installation address.

How to Submit an Incentive Request

1. Complete this form
2. Attach a copy of your receipt
3. Email completed form and receipt to MemberServices@SalemElectric.com, deliver to our office, or mail to PO Box 5588, Salem, OR 97304
4. Receive a \$500 incentive once the charger is installed and connected to the Salem Electric ChargePoint account
