

General Service Rate

Schedule 3: General Service

Effective 10/01/17

Applicable

Applicable to all commercial and non-residential members; energy supplied under this schedule will not be sub-metered for resale or resold to others.

Monthly Rate

Basic Charge per meter:	
No Demand Meter	\$26.20
Demand Meter	\$31.50
Demand Charge:	
First 50 kW	No Charge
Over 50 kW	\$8.50 per kW
Energy Charge:	
First 3,000 kWh	7.90¢ per kWh
Next 17,000 kWh	6.80¢ per kWh
Next 710,000 kWh	5.20¢ per kWh
Over 730,000 kWh	4.10¢ per kWh

Whenever Salem Electric deems it necessary to protect its interests, and whenever it should prove mutually advisable, Salem Electric may establish either a monthly or annual minimum bill, based on the investment required to serve a particular member. It is contemplated that charges for electric service will be sufficient in all instances to recover the cost of investment.

Adjustment of Demand Charge for Power Factor

The demand charge shall be increased 1% for each 1%, or major fraction thereof, by which the average power factor is less than 95%, lagging.

Determination of Demand

Demand measurement will be made by suitable instruments at the point of delivery. Demand for any month will be defined as the average kilowatt delivery during the 15-minute period in which the consumption of energy is the greatest during the month for which determination is made.

Rules & Regulations

Service and rates under this classification are subject to the present and future rules and regulations of Salem Electric.
