

Rebate Instructions

1. Attach the yellow Energy Guide Label (original or copy) from your appliance (not required for standard electric water heaters).
2. Attach a copy of your receipt.
3. Complete one form per appliance (for additional copies visit SalemElectric.com).
4. Return information to:
Salem Electric
Member Services Department
PO Box 5588
Salem, OR 97304-0055
5. The rebate will be credited to the address indicated within two weeks.
6. Appliances may be eligible for State of Oregon tax credits (check with the dealer).

Purchaser's Name _____

Address _____

Address where appliance is installed (if different) _____

Phone _____

I prefer a check rather than a credit on my electric bill.

- Check will be issued in the name of the member on the account.
- Rebates will be applied to any past due account balance prior to a check being issued.

If requested, I will allow a Salem Electric representative to verify the appliance installation.

Purchaser's Signature/Date _____

Appliance Rebate Program

Rebates for Qualifying Appliance Purchases

A Special Program for Salem Electric Members

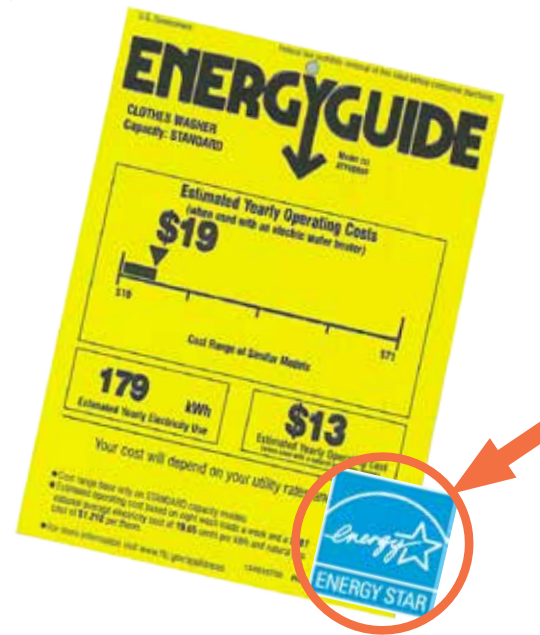

To receive a rebate, appliances must be installed within Salem Electric's service area.

For more information call Salem Electric at **503 362-3601**, click on **SalemElectric.com**, or stop by our office at **633 7th Street NW**.

When shopping for your new appliance look for the yellow Energy Guide label to help you

compare the energy efficiency of different models. You must also submit this label to Salem Electric to receive your rebate.

Be sure to look for the ENERGY STAR logo when purchasing your new appliance, it's your assurance of energy efficiency and identifies efficient products and equipment. Visit EnergyStar.gov for more information.

All qualifying appliances must be **ENERGY STAR** rated*

*Not required for standard water heaters
