

Member Assistance Program

Salem Electric's Voluntary Dollar Check-Off Program collects funds through member donations and assists qualifying Salem Electric members in paying their electric bill. Donations can be made by checking the box on your bill stub and adding \$1 to your payment or you can sign up using SmartHub.

Habitat Improvement Program

Salem Electric offers members the option of participating in the Habitat Improvement Program (HIP) to help improve local native fish and wildlife habitat. HIP allows members to make automatic monthly contributions through their Salem Electric bill, or one-time donations (pledges can be canceled at any time).

Easy Pay Options

Offering simple convenient bill paying options for our members.

Easy Pay Options

Salem Electric offers simple and easy bill paying options.

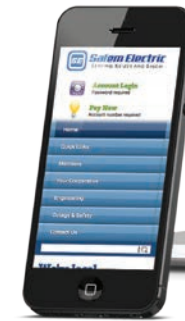

For more information call Salem Electric at **503 362-3601**, click on **SalemElectric.com**, or stop by our office at **633 7th Street NW**.

Manage Your Account through SmartHub

SmartHub offers flexibility at your fingertips so you can pay your bill at your convenience. SmartHub allows you to manage your notifications, sign up for services, pay your bill and much more.

Visit **SalemElectric.com** to register your account. Once you've created a SmartHub account, you will automatically receive a monthly email when your bill is available so you can log in to make your payment using your credit card, checking or savings account. If you don't want to log into your account each month, use the Pay Now option to make a one-time payment on **SalemElectric.com**.

AutoPay

When you sign up for AutoPay we automatically deduct your payment from your checking, savings, VISA or MasterCard. You still receive a monthly statement 10-14 days prior to the payment being deducted. If requested your payment withdrawal date can be adjusted. Proof of payment will appear on your banking or credit card statement.

AutoPay is convenient – your bill is always paid on time and safely with no worries about lost checks. It also offers independence – your bill is paid even when you're away from home.

*"Salem Electric makes paying our bill so easy and convenient."
- David*

Average Pay

If you're like most members your electric bill changes based on the seasons. Average pay is available for residential members who have had continuous service for at least six months. The program averages your monthly bill based on your previous consumption, charging you a similar amount each month.
